

Student Placement Policy

Burton Pre-School Playgroup recognises that the quality and variety of work which goes on in a playgroup makes it an ideal place for students on placement from school or college Early Years and Childcare courses.

Students are welcomed into the playgroup on the following conditions:

- The needs of the children are paramount. Students will not be admitted in numbers which hinder the essential work of the playgroup.
- Students must be confirmed by their tutors as being engaged in bona fide childcare course which provides necessary background understanding of children's development.
- Students are required to conduct child studies will obtain written permission from the parents of the child to be studied.
- Confidentiality is paramount in childcare, so therefore, students should not discuss anything to do with the setting, children, or their families outside the playgroup i.e. social networking sites such as facebook, texting.
- An Induction will be given to all students.
- Lone working – Students will not be left alone with any children or have anything to do with intimate care.
